2010 Summer Farm Life Camp

Check in & out:

Plan on arriving between 9—9:15am. The staff and interns will be ready and anxiously awaiting your child's arrival☺. We're a **small** group, so it's pretty easy to get everyone checked in. Plan on arriving to pick up your child between 3:50 – 4:00. If you have scheduled before or after care, we already have made a special note. If you need before or after care, please contact us at least a week prior.

What to bring:

Please apply long lasting sunscreen before your child's day.

Clothes that can get dirty &/or wet

Change of clothing is optional

Boots with a minimum 1/2 inch heel – they need to fit properly as well

Sack lunch (we do offer a refrigerator)

Spending Money ...

Change for candy &/or chicken treats machines (takes quarters)

Camp T-shirt \$15.

Please be sure to label your children's clothing (jackets, change of clothes, etc) as well as their lunch. They will each have their own space, but we would rather err on the side of caution.

Phoning and visiting –

We spend the day outside on the go-go-go so are unable to answer phone calls. If you have a call of an emergency nature, please use the number listed below. If you feel the need to drop in, you are welcome to, but please be inconspicuous – we don't want your child to run off from their group/activity.

Emergency Phone: 425-770-0243 is Corinne's cell phone.

Please leave all cell phones, I-pods and other electronics at home. Not only are they at risk of getting dropped in mud/dirt/poop and broken, we don't have time for them.

If you have not yet printed and mailed your registration form, please download it from our web-site at: <http://www.willowsedgefarm.com/support-files/registration.pdf> Being a small, family farm it helps us tremendously if you can get this taken care of quickly.

Questions –

Feel free to contact us prior to your child's arrival with any questions or concerns. We are here to help you as much as your child.
